

You're pushing
the boundaries
of what's
possible....
we're here to
give you the
control to do so.

Take Control of Your Testing

UTAK 100% REAL Quality Controls provide the critical control you need to improve patient care and deliver accurate results.

What's in Your Pipet?

- You choose the aliquot size

About Us

Founded in 1973, UTAK has been sourcing 100% REAL human matrices and the purest drugs possible, to provide labs with the controls they need for every kind of analysis.

We pride ourselves on being Control Freaks, providing labs the QC they need to take control of their testing.

We originated the manufacturing of complex, personalized quality controls, making controls that no one else could. And we're still doing it today.
